

Carmeq Gmbh

I am writing to apply for the postgraduate position beginning Fall 2012, as advertised on your department website. I am currently master student at the Moscow Institute of Physics and Technology in Dolgoprundy, Moscow Region, and fully expect to complete my master degree requirements by June 2012. I am highly interested in obtaining a PhD position at University of Amsterdam, as its physical research programs have excellent reputation that is known world-wide.

I look forward to the opportunity to link fundamental to applied research, participate in the organization of conferences and establish bonds between theory and experiment. I would enjoy discussing this position with you in the weeks to come. In the meantime, I am enclosing my Curriculum Vitae to this letter. If you require any additional materials or information, I am happy to supply it. Thank you very much for your consideration.

Cincerely yours,

Sergey Platonov
